

The Silver Bluff Bulldogs are no stranger to State Championships...to include football, softball, band, ROTC, and more. Included in that list are many Track Championships. The 2011 Bulldog 4 X 400 relay team continued that tradition. The boys 4 x 400 meter relay team was undefeated this year and had the fastest time in the state regardless of classification. A time of 3:22:71.

Under the guidance and training of Head Coach John Hicks, these young men are the 2011 South Carolina State Track Champions.
